

Abbey Green Nursery School and Children's Centre

Charging and Remissions Policy

March 2013

Reviewed March 2016

Rationale

This charging and remissions policy complies with statutory requirements, has regard to the Authority's policy statements and is reviewed every three years.

The curriculum in the nursery school is provided free of charge.

Abbey Green is entitled to require parents to pay for the cost of damage caused by their and/or their children's behaviour, e.g. broken window/torn books. This also applies to damaged or defaced resources.

Voluntary contributions

- When organising a visit which enriches the curriculum and educational experience of the child, Abbey Green invites the parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a visit. If the visit goes ahead, it may include children whose parents have not paid the full contribution. We do not treat these children differently from any others. No child is excluded from the visit.
- A voluntary contribution of £18.00 per year is asked of parents to cover children's snacks, food preparation activities etc.
- When the school organises visits, trips etc parents/carers are asked to pay towards the cost.

Signed.....

Chair of Governors
