

Abbey Green Nursery School and Children's Centre

'All Different, All Special, All Equal'

Vision

We want our children to have the best future they possibly can by giving them confidence, self-esteem and emotional intelligence so they can make informed and balanced decisions.

Children are at the heart of everything we do. This is a place where when you walk round you see children who are happy because learning is fun. We have a motto 'All Different, All Special, All Equal' – everyone can be good at something, if that's the core value then everything else emanates.

We offer a safe, secure and fun environment where children and parents can develop and achieve their full potential. We aim to make a positive contribution to the community by working in partnership with parents and professionals.
