**Please come and join us in celebrating 20 years of
this wonderful story.**

You can listen to the story being read too!

**Thursday 13th
February**

During the holiday you could try the 50 things app and look at #10

Sharing Books

Sharing books is a wonderful thing to do with young children. They can hear about people and places they may never know about. It can get their imagination running. Plus, it helps with developing their language skills. Start young from just a few months old and share books often with babies, toddlers and young children. BookTrust, the UK's largest children's reading charity, encourages booksharing from birth, and even before.
