	<p>If you have a concern about the safety of a child or a vulnerable adult, do not keep it to yourself. Report your concern on the Safer Bradford website. This is open available 24/7, 365 days a year. While families are requested to spend time indoors together, the lockdown may make victims more frightened to speak out or unable to access support. Domestic abuse or violence is a crime and should be reported to the police. There are also other organisations who can offer you help and support. Call 999 if it's an emergency or you're in immediate danger. The police take domestic violence seriously and will be able to help and protect you.</p>
