

This Week's 'What's Happening'

	<p style="text-align: center;">Healthy Packed Lunch</p> <p>Each week we will make a healthy suggestion for your child's lunch box including a main dish, some fruit or salad and even a little treat. This week why don't you try crunchy, cheesy coleslaw in a pitta as a change from traditional sandwiches. Try serving with 5 cherry tomatoes and a small box of raisins. https://www.nhs.uk/change4life/recipes/cheesy-coleslaw-with-wholemeal-pitta</p>		
<p>Monday 28th September</p>		<p style="text-align: center;">Goldilocks and the 3 Bears</p> <p>This classic children's story has many different versions but they all involve counting 1, 2, 3 and comparing the sizes big, medium and small. We will be using this story for lots of our activities in school this week. https://www.youtube.com/watch?v=Rm3JsewQIWw</p>	
<p>Tuesday 29th September</p>		<p style="text-align: center;">book to read</p>	<p style="text-align: center;">Sign of the week</p> <p>Our Makaton sign is "book" and "to read" we will use it to talk to your child about the books that we share in nursery and our library.</p> 
<p>Wednesday 30th September</p>	<p style="text-align: center;">Playing outside</p> <p>We enjoy playing outside at Abbey Green every day. Please ensure your child has the right clothing to suit the <u>weather</u>. It is definitely going to get colder and wetter so wellies, coats and hats can be brought to nursery with names on. We would be grateful of any wellies you have spare to use in nursery.</p> 		
<p>Thursday 1st October</p>	<p style="text-align: center;">Teddy Bear, Teddy Bear</p> <p>This week's rhyme is an action rhyme about a very busy teddy bear. Look out for the rhyme sheet coming home for you to practice together. Does your child have a favourite teddy? We would love to see a photograph. Please send them to school or email to office@abbeygreen.org https://www.youtube.com/watch?v=w0mifMkYgr0</p> 		
<p>Friday 2nd October</p>		<p style="text-align: center;">Download the 50 things app and have a go at #34 Woodland Wandering</p> <p>Visit your local woodland. Collect acorns, conkers and sticks. Spot mushrooms and toadstools. Take a walk to explore and discover nature all around you as the season changes to Autumn. We would love to see what you collect. https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five</p>	
<p>www.nhs.uk/coronavirus</p>  <p>Telephone 119</p>	<p>The symptoms of coronavirus are a high temperature, a cough that lasts more than an hour or a loss of taste and smell. If your child shows symptoms please STAY AT HOME - you will need to arrange a test to be delivered to you or book a slot to visit a test centre.
