

This Week's 'What's Happening'

	<p>We know many of you may be anxious and worried as we embark on a second national lockdown. Please be assured that we are doing all we can to protect our children and staff and are following Government Guidelines. Please do not hesitate to speak to Ginny or Sally if you would like to know more about our procedures.</p> <p style="text-align: center;">WE WILL REMAIN OPEN THROUGHOUT THE LOCKDOWN</p>
<p>Monday 9th November</p>	<p style="text-align: center;">Peace at Last by Jill Murphy</p> <p>Our core story is one of our favourite stories about Mr Bear who can't get to sleep for all the night time noises. We will using the book for lots of our activities and you can watch the story online. https://www.youtube.com/watch?v=9U9y35kWBvM&t=5s</p> 
<p>Tuesday 10th November</p>	<p style="text-align: center;">Cinnamon Star Biscuits</p> <p>We will be baking biscuits this week. We will follow a recipe that uses ground cinnamon, a warming winter spice. We will look at cinnamon sticks and enjoy using our sense of smell. Look out for the recipe sheet to use at home so you can bake some biscuits together.</p> 
<p>Wednesday 11th November</p>	<p style="text-align: center;">Sign of the week</p> <p>Our Makaton sign this week is "moon" We can see the moon in the sky especially when it is dark. But some of our children have been spotting it during the day!</p> 
<p>Thursday 12th November</p> 	<p style="text-align: center;">Pyjama Day – come to nursery in your PJs</p> <p>We have been talking about the difference between night and day, the sights and the sounds. As part of taking care of ourselves and being healthy we will be talking about our Bedtime Routines. Children can come to nursery in their pyjamas. We will have milk and a biscuit, wash our face and brush our teeth and enjoy a 'bedtime story'. We will be sending our bed time routine home so you can carry on the fun!</p>
<p>Friday 13th November</p>	<p style="text-align: center;">This week you could have a go at #14 See the Stars</p> <p>The dark nights are a fascinating adventure and the opportunity to see the moon and the stars. We can support and extend children's interest in the world and outer space. Experiences with light and darkness allow children to appreciate the awe and wonder of the world around them. https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five</p> 
	<p style="text-align: center;">Primary School Applications</p> <p>Parents of children who will be moving to reception in September 2021 should have by now received their primary school application packs. If you require any help with the application or haven't got your packs please speak to Rahima, Ginny or Sally.</p>
