

This Week's 'What's Happening'

	<p style="text-align: center;">Happy New Year and welcome to the new term</p> <p>We hope you are all well and have managed to enjoy a peaceful Christmas break. This term is going to be another period of uncertainty as we all aim to follow the government guidance and keep everybody safe. School will be working hard to meet the challenges ahead in the days and weeks to come. If you need any support during this time please speak to Ginny, Sally, Rahima or Hannah</p>				
<p>Monday 4th January</p>		<p style="text-align: center;">Core Story - The Gingerbread Man</p> <p>This traditional story is very well known and there are many different versions but they all follow a similar pattern. It can be a lot of fun to repeat the refrain "Run! Run! As fast, you can. You can't catch me, I'm the gingerbread man!" What happens to gingerbread man at the end of the story? https://www.youtube.com/watch?v=pckuS--UIV4</p>			
<p>Tuesday 5th January</p>	<p style="text-align: center;">Baking Gingerbread Men</p> <p>Baking is an ideal learning activity. It involves *Communication and literacy; talk about instructions, follow a recipe and read labels on packets. *Maths; counting and measuring ingredients. *Science; watch the ingredients combine together and change. Have a go at baking some at home. https://www.bbcgoodfood.com/recipes/gingerbread-men-0</p>				
<p>Wednesday 6th January</p>		<p style="text-align: center;">5 Currant Buns</p> <p>We enjoy singing this song at nursery. We have lots of fun taking turns to be a customer and a baker selling the buns. The song uses numbers 1 to 5 counting forwards and backwards and is a good introduction to the language of money. You could visit a bakery to buy a bun. https://www.bbc.co.uk/programmes/p038jhbn</p>

We will use it to talk to your child this week. We encourage hand washing for 20 seconds regularly at the start and end of school and between activities</p>

<p>Friday 8th January</p>		<p style="text-align: center;">Download the 50 things app and have a go at #24 Hop, Skip, Jump</p> <p>All children love to be active, so make sure they have lots of opportunities to practise their physical skills. Encourage your child to do what they can, from crawling, to walking and beyond. Building confidence in physical ability is a great thing for them to do and helps with healthy development. https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five</p>			
	<p>The government has announced a new national lockdown to come into effect immediately. This is because of the high rate of infection, the number of COVID-19 hospital admissions and the ongoing need to tackle the spread of coronavirus. https://www.bradford.gov.uk/health/health-advice-and-support/coronavirus-covid-19-advice/ Thank you for your cooperation and continuing to follow our procedures</p>
