

This Week's 'What's Happening'

	<p>It has been wonderful to see many of our children return to school. If your child displays any of the symptoms of the coronavirus - a cough or temperature, or loss of taste or smell, then you must arrange a test. Please let us know if you would like any help with arranging testing for your family.</p>
<p>Monday 15th March</p>	<p>The Chicks have hatched!</p> <p>Our eggs hatched and we now have 6 little chicks to look after (just like our core story!) The children will learn how to keep the chicks clean and how to safely change their bedding, and feed them the correct amounts of water and food. Our chicks will be leaving us on Friday to go back to the free-range farm.</p> 
<p>Tuesday 16th March</p>	<p>Oh Dear! by Rod Campbell</p> <p>This is a definite favourite book in Orange room. The text is repetitive and predictable and good fun to join in with, "No eggs here, oh dear!" The book is interactive with lift the flaps and little surprises to make the story motivating and engaging. https://www.youtube.com/watch?v=XygtugVr6qQ</p> 
<p>Wednesday 17th March</p>	<p>Pets</p> <p>The children have enjoyed looking after the chicks and that has sparked conversations about our pets at home. Please send us a photograph of your pets so that we can talk about them in school. We will be having a visit from Sally's pet gerbils and will be sharing books about how to take care of our pets.</p> 
<p>Thursday 18th March</p>	<p>Sign of the week</p> <p>Our Makaton sign this week is "chick". We will use this sign to support our learning as we observe the chicks every day, talking about how they change and how to look after them.</p> 
<p>Friday 19th March</p>	<p>Download the 50 things app and try #25 Creative Junk</p> <p>The children continue to be fascinated with wrapping and enveloping using recycled materials such as cardboard tubes and boxes. At home, you can collect cereal boxes and yoghurt pots and spend some time creating. We would love to see what you come up with together!</p> <p>https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five</p> 
	<p>Mind in the month of March</p> <p>Mind in Bradford is your local mental health charity. 1 in 4 of us will experience mental health problems at any one time, more so during the pandemic. They offer phone and on line support for you and your family including adults, children and young people. Contact 08001 884 884 or visit the website https://www.mindinbradford.org.uk/</p>
