

This Week's 'What's Happening'

	<p style="text-align: center;">Keep our school community safe</p> <p>It is our top priority to keep our school community safe at all times. We MUST ask you to wear a face covering whilst on school grounds, unless medically exempt, and to maintain social distancing at drop off and pick up times. PLEASE do not park on the yellow Zig Zag lines outside school or across the school gates. Access is required at all times. Thank you for your support and cooperation</p>	
<p>Monday 26th April</p>		<p style="text-align: center;">tree</p>  <p>Sign of the week Our Makaton sign is "tree". We will use it to talk to the children about the activities we have planned this week for planting trees.</p>
<p>Tuesday 27th April</p>		<p style="text-align: center;">King of the Swamp by Catherine Emmet</p> <p>This story has rhythm and rhyme, and exciting illustrations. It also has a theme of conservation and taking care of the world we live in – so it is perfect for our tree planting this week. We will have an interactive theatre session on <u>Friday</u> from Bradford Libraries. You can discover more about this book at home. https://catherineemmett.co.uk/king-of-the-swamp/</p>
<p>Wednesday 28th April</p>		<p style="text-align: center;">Have a go at #19 Growing little people, plants and things</p> <p>We will be planting trees in our school garden and community area this week and we would love you to join us. You can also have a tree to take home and plant together in your own garden. Planting taking care of your very own tree is a great way for your child to learn about the world we live in. https://bradford.50thingstodo.org/app/os#</p>
