We will be celebrating in school next week with our Eid Party on <u>Wednesday 19<sup>th</sup> May</u>.</p>
<p><b>Monday 10th May</b></p>	<p style="text-align: center;"><b>Ramadan Moon by Na'ima B Robert</b></p> <p>This book is a child's story of the days and nights of Ramadan following the waxing and waning of the moon and the celebration of Eid on sighting the new moon. We will talk about how Muslim's around the world celebrate the month of Ramadan and then Eid al-Fitr <a href="https://www.youtube.com/watch?v=IwRQ6rvi02g">https://www.youtube.com/watch?v=IwRQ6rvi02g</a></p>
<p><b>Tuesday 11th May</b></p>	<p style="text-align: center;"><b>Sign of the week</b></p> <p>Our Makaton sign this week is 'moon'. We will use this sign when we talk about what we can see in the sky and how the moon changes over a month.</p>
<p><b>Wednesday 12th May</b></p>	<p style="text-align: center;"><b>Have a go at #14 See the Stars</b></p> <p>Night time is a fascinating opportunity for children to see the moon and the stars. Check out the night sky as the sun sets from your window inside the house or wrap up warm in the garden as you watch for the new moon this week. You could take photos or draw the shape of the moon and talk about how it changes. <a href="https://bradford.50thingstodo.org/app/os#">https://bradford.50thingstodo.org/app/os#</a></p>
