

# ACCESS AND PARKING

## Accessibility

Disabled access is via Whetley Terrace.

A hearing loop is available at the Reception counter.

The building is on one level and has an accessible toilet.

The outdoor area has level access.

Our brochures are all available in large print on request.

We have a buggy store for those parents who walk to the school.

## Security

To ensure the safety and security of children and visitors we have a security system to control entry and exit to areas of the building. If you are a visitor you will be asked to sign in and identify yourself.

Railings secure the outdoor area.

We also have CCTV in place to help us monitor the exterior of the building.

## Safety in the Car Park

At all times we ask parents to be vigilant in the car park, to hold their child's hand and use the designated walkway.

The gates to the car park are open before 8.30am and after 4.30pm.

Car drivers are asked to use extreme caution in the playground and to be on the lookout for pedestrians especially children.

## Parking

Parents and visitors are asked to park on Green Lane. We politely request that you do not block the main gates by parking in front of them. Access is required at all times

Please be aware that there are several schools in the vicinity and there is a need for caution when driving in the area. Please respect the speed limit.
