

This Week's 'What's Happening'

Word of the Week

Our 2-year-old vocabulary focus this week will be **'toothbrush'**. We will talk about the time of day we brush our teeth and what we use to keep our teeth healthy. Talk to your child about keeping their teeth healthy and supervise their brushing twice a day.

**Monday 5th
February**

Sign of the Week

This week's Makaton sign is **'brush teeth'**. We will use this sign to talk to your child about how to look after our teeth to stay healthy.

**Tuesday 6th
February**

Recipe of the Month – Vegan Pancakes

In preparation for pancake day on Tuesday 13th February we will be using a simple recipe to make a tasty treat for our snack time. You can use the recipe at home.

www.bbcgoodfood.com/recipes/easy-vegan-pancakes

**Wednesday 7th
February**

Fluoride Varnish

The Bradford Oral Health Team will be in school today to apply fluoride varnish to children's teeth. For more information about this scheme please visit www.bdct.nhs.uk/services/fluoride-varnish-programme/

**Thursday 8th
February**

Stay and Play

Join our weekly session for children and parents run by Early Years Alliance every Thursday 1pm to 2.30pm

**Friday 9th
February**

Download the 50 things app and have a go at #8 Bubbles

Bubble play is a brilliant all round activity – it's something you can do in most weathers, all seasons and it's really simple to set up. Without realising, your child will be developing all kinds of physical skills that will help them in other areas of learning.

Half Term

School closes on Friday 9th February and reopens on Monday 19th February
Manningham and City Libraries have lots of free events every day during half term for you and your child – this includes dance sessions, theatre performances and workshops about astronauts. For more information about each session including timings please visit the website

www.bradford.gov.uk/libraries/children-and-young-people/half-term-events-2024/

Healthy Smiles- Oral Health advice

Visit this website for advice and support on helping to keep your child's teeth healthy including finding a dentist and top tips for toothbrushing and developing healthy oral habits from a young age. www.bdct.nhs.uk/services/oral-health-improvement
