

## This Week's 'What's Happening'

### Word of the Week

Our 2-year-old vocabulary focus this week will be 'flour'. We will talk about what flour is made from and what it is used for. We will use words to describe what it looks and feels like. Talk to your child about how you use flour at home for different recipes and where you buy flour from. Talk about the different brands and types of packaging.

**Monday 22nd  
April**

### Sign of the Week

This week's Makaton sign is 'chick'. We will use this sign to talk to your child when observing the chicks and taking care of them.

### School Photographs

The photographer will be in school on Wednesday to take individual photographs of your child. Your child is welcome to come in their party clothes. Details of how to order photographs will follow. As always there is no obligation to purchase.

Download the 50 things app and have a go at #2 **Where am I?**

Playing "peek a boo!" Or "Hide and Seek!" Is a great game. Hiding objects is a good way to get your child talking by naming objects. You can use everyday things around you and take every opportunity to say words to your child to build up their vocabulary.
