

## This Week's 'What's Happening'

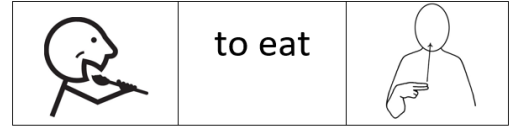

### Word of the Week

Our 2-year-old vocabulary focus this week will be **'baguette'**. We will talk about different types of bread and when they are eaten. We will use words to describe what it looks and feels like. Talk to your child about the bread you eat at home; where you buy from and how you make it. Talk about the different brands and types of packaging.

### Sign of the Week

This week's Makaton sign is **'to eat'**. We will use this sign to talk to your child during our routines, snacks and mealtimes.

### Recipe of the Month

We will be baking bread this week – just like The Little Red Hen - and you are invited to join us.

Please ask your Key Person for a copy of the recipe to try at home.

### #19 Growing Little People, Plants and Things

Have a go at planting a seed at home. Teach your child how to dig, pick, plant and sow. You can use any jars or pots and put plants on the window sill or in your own garden. Make sure you keep them watered and in daylight and your plant should grow.
