

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is **'flower'**. We will use this sign to talk to your child about their experiences this week.

Word of the Week

Our 2-year-old vocabulary focus this week will be **'flower'**. We will talk about where we find flowers, where they grow and how we take care of them. We will use words to name different types of flowers and to describe how they smell and what they look like. We will name some of their parts. We will have a walk to Green room garden and around the local area to look for the blossom trees and to find any flowers that are starting to bloom.

Core Story: Green Room

This Half terms story in **Green room** room is **"Superworm"** by Julia Donaldson. We will talk about the setting and characters within the story and how the creatures work together to take care of each other. We will be developing the children's mathematical understanding of length as we measure lots of different objects around the classroom as well as any worms we find!

**Wednesday 30th

Weather Reminder

As you may be aware the weather is becoming warmer. Please ensure that you send in named hats and ensure you have applied sun cream before nursery. Sun cream brought into school **must** be given to a member of staff.

**Thursday 1st
May**

Staff training day

Please note **school is closed** on Thursday 1st May 2025 for a Staff training day. We look forward to seeing you back at school on Friday 2nd May.

Download the 50 things app and have a go at #34 Woodland wandering

A wander through the woods is so exciting! What flowers or plants can you find growing in all the sunny/dark places? I wonder what kind of animals you might see? It would be lovely if you could bring in any woodland treasures you find into nursery for everyone to see.
