

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is **'to grow'**. We will be using this sign as we talk about how lots of our herbs and vegetables are growing in the planters and how we are going to use them in our weekly cooking sessions.

Word of the Week

Our 2-year-old vocabulary focus this week will be **'carrot'**. We have been growing carrots in the garden. Look at our crops!

Introducing Georgia!

Our new apprentice administrator Georgia is working in the office. Say hello when you next come in and see her.

Download the 50 things app and have a go at **#19 Growing, little people, plants and things**.

The children are doing an amazing job of watering our garden and looking after the seeds and bulbs they have planted. Are you taking care of the beans we have sent home?
