

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is 'pumpkin'.

We will use this sign to talk to your child about this seasonal vegetable during our activities.

Word of the Week

Our 2-year-old vocabulary focus this week will be 'pumpkin'. We will look at the different types of pumpkin and use words to describe what they look and feel like. Talk to your child about any pumpkins you see out in the shops. Do all pumpkins look the same? Do you know how pumpkins grow?

**Monday 13th

Signs of Autumn

When playing outside we will be looking for signs of Autumn – on the ground, the leaves and the trees. We will be collecting interesting objects and would like the children to bring in collections from home for us to look at.

**Tuesday 14th

Recipe of the Week – Pumpkin Soup

The children will help to prepare the ingredients. We will be counting, weighing and measuring. We will then get to enjoy tasting the pumpkin soup. Here is the recipe

Download the 50 things app and have a go at #22 My Secret Treasure

Children love to make collections. You can enjoy getting outside in your local area and parks to see what Autumn treasures you can find. Talk to your child about all the collections of natural objects you can make. We would like the children to bring in their Autumn collections to add to our display.
