

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is 'chick'. We will use this sign to talk to your child about our special eggs that we will be looking after in school this week.

Word of the Week

Our 2-year-old vocabulary focus this week will be 'lemon'. We will talk about the citrus fruit and use words to describe what it looks like, how it smells and tastes. Talk to your child about lemons and how you use them in the kitchen at home.

#36 Ready Steady Blow

Children love to blow dandelion seeds, small plastic garden windmills, feathers and, with adult supervision, candles. As well as being really fun, the act of blowing can help children to feel calmer and help them focus, at the same time as building muscles in their mouth and improving breathing.
