

## This Week's 'What's Happening'

### Sign of the Week

This week's Makaton sign is **'goodbye'**. We will use this sign to talk to your child this week as we say goodbye for the summer holidays.

### Word of the Week

Our 2-year-old vocabulary focus this week will be **'shell'**. We will talk about the different shapes and sizes and textures of shells. Talk to your child about shells at home. Where do you find shells?

**Monday 13th

#### Leaver's Reports

If your child is leaving us you are invited to meet with your child's key person this week. You will be given a copy of your child's Leaver's Report and have the opportunity to discuss their progress, achievements and next steps for their learning and development.

**Tuesday 14th  
July**

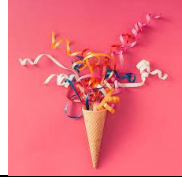

#### Family Hub – Timetable

Find out what is going on over the summer holidays for you and your child at your local Family Hub. We will have printed copies of the latest timetable available in school.
