This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is **'to listen'**. We will use this sign to talk to your child during our daily routines and group times as we encourage listening and attention.

Word of the Week

Our 2-year-old vocabulary focus this week will be **'insect'**. We will talk about the different kinds of insects and what they are called. We will use words to describe what they look like and how they move. Talk to your child about any insects you might find at home or in the garden.

Monday 28th September	**Fluoride Varnish** The oral health team will be in school today for Fluoride application. The team will also be available to talk to parents/carers about taking care of your family's teeth. Please let us know if you have any questions for them or would like any support with tooth brushing.
Tuesday 29th September	Please arrive on time - 8:45am or 12:15pm. Please note that any children arriving later than 9:15am or 12.30pm will be marked as late. We know that children that arrive on time every day and attend each day perform better in their learning.
Wednesday 30th September	Ponderosa Trip A group of families will be going on a trip to Ponderosa Zoo in Heckmondwike. This local zoo is a great day out with lots of play spaces and over 100 animals. It is open every day 10am – 4pm. https://ponderosa-zoo.co.uk/ 
Thursday 1st October	Snack time  Snack money is payable every half term at **£6 per child**. We also use this contribution towards baking ingredients. Please let us know if your child has ANY allergies or dietary requirements so that we can cater fully for them. Thank you if you have already paid for this half term.
Friday 2nd October	Download the 50 things app and have a go at #9 Mini Beasts and Bugs Minibeasts, creepy crawlies or bugs – whatever you want to call them, are fascinating to children. Try going on a mini beast hunt to find beetles, ladybirds, worms and snails! Searching for these creatures helps your child to learn new words, and find out about where the mini beasts might live and what they like to eat.**https://bradford.50thingstodo.org/app/os#!/50-things-to-do-before-youre-five**
	Save the Date Parent Forum Wednesday 14th October 9am and 2.30pm We will be talking about our safeguarding curriculum and how we use PANTS resources from the NSPCC. https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/
