Abbey Green Nursery School

Manningham Community Nursery Schools Federation

Abbey Green Nursery School

This Week's 'What's Happening'

Sign of the Week

This week's Makaton sign is **'hello'**. We will use it to greet you and your child everyday.

Word of the Week

Our 2-year-old vocabulary focus this week will be **'Ruck Sack'**. We will talk about the bag they bring to Nursery and the name of the objects inside their ruck sack. Talk to your child when you are getting to leave the house and packing a bag – what things do you need to take?

Monday 7th September	**What's Happening** Our weekly newsletter will tell you what we are doing in school each week and how you can get involved in your child's learning. A copy will be displayed in school and we will share it on Learning Journals and on our Social Media pages. Please let us know if you would like a printed copy.
Tuesday 8th September	**Imagination Library** Following the sad death of Dolly Parton we would like to start the year with registrations for the Imagination Library. If you are eligible your child will receive 1 book per month until they turn 5. Please ask at the school office to check if you are eligible.
Wednesday 9th September	**Save The Date!** Wednesday 16th September – Welcome Meeting for new parents Come and find out all about our school at 2.30pm
Thursday 10th September	We will be encouraging your child to develop independence at school with their clothing, using the bathroom, washing and drying their hands and having snack. Try and support your child to develop some independence with these things at home too. 
Friday 11th September	**Download the App for 50 things to do before you're 5** Every week will share a suggestion of an activity you can do with your child that is low/no cost and based around the Bradford District. The activities are designed to help support your child's language and communication. Please speak to your child's Key Person if you would like further information about this exciting project! https://bradford.50thingstodo.org/app/os#
